EAST AFRICAN AGRICULTURAL JOURNAL

INDEX TO VOLUME XXIV—1958—1959

| | PAGE | | PAGE |
|--|------|--|------|
| Agriculture Subsistence on the Tanganyika Coast (TANNER) | 70 | Flowering of Exotic Pasture Grasses in Kenya, Observations on (BIRCH) | 142 |
| Aircraft in Central and East Africa, Locust Control by (LLOYD) | 26 | Food Properties of Flint and Dent Maize (ELLIS) | 251 |
| Aluminium Phosphide for bulk grain fumigation in Uganda (DAVIES) | 103 | Forests, East African Camphor, of Mount Kenya (ABRAHAM) | 139 |
| Ambrosia beetle attack on logs, The Control of (CURRY) | 128 | Fumigation, Aluminium Phosphide for bulk grain, in Uganda (DAVIES) | 103 |
| Ankole/Aberdeen Angus three-quarter crossed Bull bred at Whipsnade, The Conformation and Characteristics of (R.N. T-W-FIENNES) | 269 | Fungicides copper, Phytotoxic effects of, on acid soils (GIBSON) | 125 |
| Basket-trap River Fishery in Kenya Colony, A Study of a small (VAN SOMEREN) | 257 | Gestation periods of Zebu Cattle under ranch conditions, Variation in (HUTCHISON AND MACFARLANE) | 148 |
| Bean Pests in Uganda, A Note on the Control of (DAVIES) | 174 | Grasses of Kenya, The Chemical Composition of—I (DOUGALL AND BOGDAN) | 17 |
| Bees, Carpenter (<i>Xylocopa</i> spp.), The Use of Dieldrin for Control of (WHALLEY) | 16 | Grasses and Legumes under Grazing, Preliminary Trials of (STRANGE) | 92 |
| Biological Control of Agricultural Pests in the Seychelles, A Review of (LIONNET) | 254 | Grasses, Ley, The Selection of, in Kenya (BOGDAN) | 206 |
| Bloat, An Experiment on the Control of (WOOLDRIDGE AND BELLINGE) | 237 | Grassland Trials at Tarime, Lake Province, Tanganyika (VAN RENSBURG) | 64 |
| Camber Bed Cultivation of Ground-water (vlei) Soils: I. Experimental Crop Yields (ROBINSON, J. B. D., EVANS AND BROOK) | 184 | Ground-water (vlei) Soils, Camber Bed Cultivation of—I. Experimental Crop Yields (ROBINSON, J. B. D., EVANS AND BROOK) | 184 |
| Camber Bed Cultivation of Ground-water (vlei) Soils: II. Modifications of the system (BROOK AND ROBINSON) | 192 | Ground-water (vlei) Soils, Camber Bed Cultivation of—II. Modifications of the System (BROOK AND ROBINSON) | 192 |
| Camphor Forests, East African, of Mount Kenya (ABRAHAM) | 139 | Herbage Plants at Serere Experiment Station, Uganda 1954-57—I. Grasses (HORRELL) | 41 |
| Cattle, Variations in liveweight of, on farm and ranch in Tanganyika (HUTCHISON) | 279 | Herbage Plants at Serere Experiment Station, Uganda 1954-57—II. Legumes (HORRELL) | 133 |
| Cereal, Release of New Varieties 1958 (THORPE AND DIXON) | 15 | "Insack" treatment of maize with insecticide for protection against storage pests in Uganda (COAKER) | 244 |
| Cereal, Release of New Varieties 1959 (THORPE AND DIXON) | 268 | Legumes under grazing, Preliminary Trials of Grasses and (STRANGE) | 92 |
| Climatic Limitations of Subterranean Clovers in Kenya (DAVIDSON) | 121 | Ley Grasses in Kenya, The Selection of Tropical (BOGDAN) | 206 |
| Composition, Chemical, of the Grasses of Kenya—I (DOUGALL AND BOGDAN) | 17 | Liveweight of Cattle on farm and ranch in Tanganyika, Variations in (HUTCHISON) | 279 |
| Confirmation and Characteristics of a three-quarter Ankole/Aberdeen Angus crossed Bull bred at Whipsnade (R. N. T-W-FIENNES) | 269 | Locust Control by Aircraft in Central and East Africa (LLOYD) | 26 |
| Crops Subsistence, Protein Content of, in Uganda (JAMESON) | 67 | Logs, The Control of Ambrosia Beetle attack on (CURRY) | 128 |
| Dead Top in Kenya Pine Plantations (GIBSON) | 47 | Lucerne, A Comparison between Russian Comfrey and (STRANGE) | 203 |
| Deep Water Fishing off the North Kenya Coast, A Preliminary Report on (WILLIAMS) | 61 | Lucerne, Observations on the growth of non-irrigated (STRANGE) | 171 |
| Dieldrin, The Use of, for Control of Carpenter Bees (<i>Xylocopa</i> spp.) (WHALLEY) | 16 | Machinery, Agricultural in East Africa | 24 |
| Egg Quality, Internal, The Effect of Environment on (LAKE) | 12 | Maize, "Insack" treatment of, with insecticides for protection against storage pests in Uganda (COAKER) | 244 |
| Fisheries, River, of Kenya Colony—I. Nyanza Province (WHITEHEAD) | 274 | Maize, Palatability of, under Storage in Uganda (COAKER AND DAVIES) | 57 |
| Fishery, A Study of a small Basket-trap river, in Kenya Colony (VAN SOMEREN) | 257 | Maize, The Effects of, in Pig Rations (DUTHIE, DENT, AND LEDGER) | 106 |
| Fishing, Deep Water off the North Kenya Coast, A Preliminary Report on (WILLIAMS) | 61 | Maize, The Food properties of Flint and Dent (ELLIS) | 251 |
| Fishing Methods, Indigenous River, in Kenya (WHITEHEAD) | 111 | | |

INDEX—(Contd.)

| | PAGE | | PAGE |
|--|------|---|------|
| Notes on Kenya Agriculture— | | Grafter's Handbook | 205 |
| III. Notes on Oil Seeds, Pulses, Legumes and Root Crops in Kenya (SAVILE AND WRIGHT) .. | 1 | How to build to size and shape | 183 |
| IV. Fruit and Vegetables (JACKSON, BANNISTER, BENNISON, EVANS AND SAVILE) | 79 | Industrial Fibres 1958 | 218 |
| V. Plantation Crops | 153 | Insect Pests of Cotton in Tropical Africa .. | 239 |
| VI. Grass leys and grassland plants (GRASSLAND RESEARCH STATION, KITALE, KENYA) .. | 223 | Introduction to Tropical Agriculture | 253 |
| Palatability of Maize under Storage in Uganda (COAKER AND DAVIES) | 57 | Meat 1958 | 286 |
| Pasture Grasses in Kenya, Observations on the Flowering of Exotic (BIRCH) | 142 | Methods of Weed Control | 127 |
| Pests—Agricultural, A Review of the Biological Control of, in the Seychelles (LIONNET) .. | 254 | Nature Study for African Schools—Insects .. | 152 |
| Bean, A Note on the Control of, in Uganda (DAVIES) | 174 | Niger Agricultural Project | 36 |
| Storage, "Insack" treatment of maize with insecticide for protection against, in Uganda (COAKER) | 244 | Notebook of Tropical Agriculture | 170 |
| Phytotoxic effects of copper fungicides on acid soils (GIBSON) | 125 | Pig Carcass Evaluation | 102 |
| Pig Rations, The Effects of Maize in (DUTHIE, DENT AND LEDGER) | 106 | Proceedings of the British Society of Animal Production 1958 | 77 |
| Pine Plantations, Kenya, Dead Top in (GIBSON) .. | 47 | Revised List of Kenya Grasses | 75 |
| Polythene Bags, Sowing Seed in (WATKINS) .. | 197 | State of Food and Agriculture 1958 | 222 |
| Protein Content of Subsistence Crops in Uganda (JAMESON) | 67 | Soil and Land-use Surveys—No. 1 Jamaica; No. 2 British Guiana | 221 |
| Protein, The Digestible, of Ruminant Feeds by calculation (DUTHIE AND GLOVER) | 33 | Study of the Aphididae (Homoptera) of East Africa | 75 |
| Ranch, Variations in liveweight of cattle on farm and, in Tanganyika (HUTCHISON) .. | 279 | Survey of Activities 1957/58 | 221 |
| Reviews— | | Tea | 220 |
| Agricultural Register | 75 | Tools and Equipment for planting and reforestation | 77 |
| Atlas of Airborne Pollen Grains | 127 | Tractors for Logging | 77 |
| Auger Hole Method | 222 | Treatment of Fence Posts by the Double Diffusion Process | 77 |
| Barn Construction and Curing Procedure | 222 | Types and Breeds of African Cattle | 236 |
| Bird Hybrids | 138 | United States and Africa | 202 |
| Bois Tropicaux | 77 | River Fisheries of Kenya Colony—I. Nyanza Province (WHITEHEAD) | 274 |
| Breeding Problems and Artificial Insemination .. | 120 | Ruminant Feeds by calculation, The Digestible Protein of (DUTHIE AND GLOVER) | 33 |
| Coffee Research and Experimental Station, Lyamungu, Moshi—Report for the Season 1956–57 | 222 | Russian Comfrey and Lucerne, A Comparison between (STRANGE) | 203 |
| Common Freshwater Fishes of East Africa .. | 102 | Seed Sowing in Polythene Bags (WATKINS) .. | 197 |
| Dairy Cattle Breeding in the Tropics | 152 | Serere Experiment Station, Uganda 1954–57, Herbage Plants at—I. Grasses (HORRELL) .. | 41 |
| Dairy Produce 1957 | 76 | Serere Experiment Station, Uganda 1954–57, Herbage Plants at—II. Legumes (HORRELL) .. | 133 |
| Dairy Produce 1958 | 287 | Skim-milk Feed, dried, Farm preparation of (BROWN) | 10 |
| Experiments in Progress No. 10 | 222 | Small holdings on the Tanga Coast (TANNER) .. | 37 |
| Farm Machinery | 178 | Soils, acid, Phytotoxic effects of copper fungicides on (GIBSON) | 125 |
| Flora of Tropical East Africa: | | Subsistence Agriculture on the Tanganyika Coast (TANNER) | 70 |
| Caricaceae | 222 | Subterranean Clovers in Kenya, The Climatic Limitations of (DAVIDSON) | 121 |
| Cornaceae | 222 | Sugar Cane Smut (ROBINSON, R. A.) | 240 |
| Polygonaceae | 77 | Tick, Common Brown, Distribution of, in Kenya .. | 53 |
| Primulaceae | 222 | Weed Control Conference, African, Victoria Falls July 1958 (IVENS) | 179 |
| Forestry Equipment Notes | 221 | Zebu Cattle under ranch conditions, Variations in Gestation periods of (HUTCHISON AND MACFARLANE) | 148 |
